The school engages parents in the annual evaluation of the Title I, Part A program's parental involvement efforts through an annual evaluation using a comprehensive needs assessment filled out by teachers, parents/guardians, and school staff. The Title I committee made up of teachers, parents, and school staff will determine the effectiveness of the parental involvement plan and make changes if warranted. The school gathers evidence about the satisfaction with the program and the school's efforts to increase parental involvement. Specific information on the growth in number of parents participating in workshops and meetings, specific needs of parents, the effectiveness of specific strategies, and the engagement of parents in activities to support student academic growth is collected. The school meets with parents of students to provide information about their involvement in the decisions affecting course selection in their student's secondary education.
