INTRODUCTION

The school is a community, and the rules and regulations of a school are the laws of that community. All those enjoying the rights of citizenship in the school community must also accept the responsibilities of citizenship. A basic responsibility of those who enjoy the rights of citizenship is to respect the laws of the community. All any school has to offer is the opportunity for people to learn.

Conference - At no time should you be in doubt of your child's progress. If you have questions or feel that there has been a misunderstanding, please call the school for an appointment with the teacher, counselor, or principal.

CLUBS AND ORGANIZATIONS

Southside offers a variety of clubs and organizations in which a student can participate. Involvement in a club allows a student to meet new people and work together for common goals. The more you are involved, the more pleasant your high school experience will be. All clubs and organizations are open to all students who meet the requirements.

Instructional & Teacher Contract Days: Calendar includes 178 Student Instructional Days & 193 Teacher Contract Days. Teacher calendar includes 10 Professional Development Days, 1 Teacher-Directed PD Day, 1 PD Flex Day, 3 Teacher Workday/Records Days, and 2 Days Credit for Parent-Teacher Conference Times.

Alternative Methods of Instruction Days (Bad Weather Days): If the Superintendent declares a bad weather day or cancels school due to other emergency circumstances, the District can implement up to 10 Alternative Methods of Instruction Days (AMI) per Arkansas Act 862. Per AMI, students will complete assignments to make up for the missed instructional day at school. Due to AMI, up to 10 days will not need to be made up due to bad weather. Per Act 862, the District may also use AMI days in the case of other emergencies like "a contagious disease outbreak, inclement weather, or other acts of God, or a utility outage."

GRADUATION REQUIREMENTS

To graduate from the Fort Smith Schools, a student must earn a minimum of twenty-three credits. Credits are earned at the rate of 0.5 credits per class per semester. Smart Core graduation requirements were developed by the Arkansas Department of Education to prepare students for college and career post-secondary educational opportunities.

**ADE Act 1280 requires all students to complete a digital learning course which will be embedded into the English 12 course offerings. **ADE Act 478 requires all students to pass the civics portion of the Naturalization Test used by the US Citizenship and Immigration Services.*

****ADE Act 480 requires all students to complete a course that includes specific personal finance standards in either grade 10, 11, or 12. These courses include Economics (Social Studies) or Financial Literacy (Career and Technical Education).*

A student identified as disabled, as per State Department of Education definition of disabled, may be graduated by meeting the requirements above or by completion of his/her IEP (Individual Education Program) as established by the student's programming committee.

GRADUATION

To be a graduate of a Fort Smith high school, a student must have been in attendance at that school during the final semester before graduation and have earned at least two credits in that semester. A student may not take a final requirement in a summer session and satisfy graduation requirements for Fort Smith Public Schools if all other high school work has been done elsewhere. Enrollment must occur within the first 10 days of the final semester.

A student desiring to graduate early must do the following:

- Declare his/her intention to graduate by the first day of the intended graduation year
- Outline a plan in which all 23 required credits will be met
- Obtain the principal's approval

A student must have completed all required units of credit to be eligible to participate in spring commencement exercises.

Diploma Requirements

Diploma	Meet requirements for graduation or meet requirements of Individual Education Plan for special education students.
Honors Diploma	Meet requirements for graduation; accumulate a 3.0 grade point average; pass eight units of Pre-AP and/or AP courses, six units of which must be earned in grades 10, 11, 12.
AP Capstone Diploma (Southside)	Meet requirements for graduation; earn scores of 3 or higher in AP Seminar and AP Research and on four additional AP exams of the student's choosing.

No student can participate in any senior class or graduation activities unless he has met or is meeting all requirements for graduation. Diplomas will be awarded to students following completion of final credits. For more specific information concerning courses and graduation, you should see your counselor.

Southside posts a recognition roll at the close of the first and second semester. To qualify for this honor, a student must carry a schedule of 4 full- credit courses per semester, must have a grade point average of 3.00 or above for the quarter by the number of full credit courses taken that semester, and must have a satisfactory citizenship rating.

The Basic School is available at night during the school year, for students who have failed a course, to take courses to meet graduation requirements.

GRADING SCALE

Grades are important to everyone, not only to the student and parent, but also to the teacher, school and community. Grades assigned to students for performance in a course shall reflect only the extent to which a student has achieved the expressed academic objectives of the course. Grades that reflect other educational objectives may also be given. Only AP classes receive additional points for rank, and rank is based on GPA. See the following grading scale and grade point scales:

Grade Scale	Regular & Pre AP	Advanced Placement
90 -100 = A	A = 4	A = 5
80 - 89 = B	B = 3	B = 4
70 - 79 = C	C = 2	C = 3
60 - 69 = D	D = 1	D = 2
Below 60 = F	F = 0	F = 0

ADVANCED PLACEMENT COURSES

Advanced Placement courses (AP) prepare students for Advanced Placement tests through which students may obtain college credit. AP classes are college level classes taught in high school. AP courses are governed by a National Curriculum and teachers are trained to teach those courses. Course descriptions may be found at apstudent.collegeboard.org/apcourse. Individual colleges hold the final determination of type and/or amount of credit. Students are required to take the AP Test at the end of the course.

If students do not take the AP exam, the class will then revert to the 4.0 grading scale. A corrected final transcript will be sent to post-secondary institutions.

ACADEMIC ACTIVITIES AND INDEPENDENT STUDY SKILLS

Parents/guardians and teachers should be partners in the education of children. Their joint efforts in assigning and monitoring learning activities can provide an excellent opportunity to strengthen the home-school relationship and to help the student feel that home and school are working together for his/her best interest.

Academic will be assigned and used as an integral part of the teaching/learning experience for students. Teachers will provide specific homework assignments. Each school may adopt guidelines to assure balance in homework assigned to each student. General homework guidelines for Grades 7-12 are 1-2 1/2 hours per day.

Homework should be assigned regularly, clearly stated, regularly collected, checked and returned to students. Each teacher should advise students how and the extent to which homework will be used in determining final grades. To develop students' independent study skills the teacher should:

1. Discuss the skills needed to accomplish homework assignments
2. Demonstrate a simple step-by-step process of completing a homework assignment
3. Model the techniques of listening, following instructions, note taking, reading for comprehension, preparing papers and locating materials in the library
4. Have students demonstrate their knowledge of independent study skills
5. Teach the students how to organize materials and to work independently

VICTOR E. STEWART LIBRARY INFORMATION

(This Information is Subject to Change)

Students and parents that visit the Victor E. Stewart Library have access to thousands of volumes and over 1000 eBooks. The library subscribes to print and non-print periodicals and 2 newspapers. The OPAC (online public access catalog) is Destiny. Students and parents may access the catalog by going [Southside Library Catalog](#).

For research purposes, students may use library computers to access the Internet, online reference databases, college and career databases, and other programs. Links to the databases can be found on the [Southside Library Homepage](#)

The student's first ID card is valid until graduation. Students must pay \$3.00 to replace a lost or stolen card. The checkout limit is three books. Following Fort Smith Public School guidelines, if the books are not returned by the date due, a fine of 10¢ per each overdue day will be assessed. The charge for a lost book is 1.25 times the current price of the book.

A printer and copier are available for student use in gathering information for reports and research papers at a charge of 10¢ per page for printing or copies. Color printing is 25¢ per page.

Students are expected to abide by all classroom, school, and library policies and procedures when working, studying and or reading in the library.

Parents are invited to visit the Parent Center located in the library. Books, pamphlets, and brochures are available on a variety of topics. Topics range from Birth to Adulthood.

Library hours are 8:00 a.m. to 3:30 p.m. Monday through Thursday and 8:00 a.m. to 3:15 p.m. on Friday. Extended hours available upon request.

HIGH SCHOOL POLICIES AND REGULATIONS

Students are expected to acquaint themselves with the special policies and regulations effective in our high school. Questions concerning school policies should be discussed with the principal or the assistant principals or guidance counselors.

A pupil who graduates from a Fort Smith high school must complete the last two of his high school units in the school which grants the diploma. A pupil may not take his final requirements in a night school session (TBS) and satisfy graduation requirements for Fort Smith schools when all other high school work has been done elsewhere.

THE FOLLOWING REGULATIONS APPLY TO ALL STUDENTS AT SOUTHSIDE HIGH SCHOOL

STUDENTS ALSO NEED TO REFER TO THE FORT SMITH PUBLIC SCHOOL HANDBOOK FOR POLICIES NOT COVERED IN THE SOUTHSIDE HANDBOOK.

ATTENDANCE

Attendance is important to a successful school experience, even in a blended environment. Students are expected to be present for class each day. Students who are uncomfortable being present in school due to concerns about the pandemic may choose to stay home and complete their assignments online, as long as they maintain a minimum of a 70% grade in their classes. All assignments will be available in Schoology.

NOTE: The following attendance categories/procedures may be modified this year due to the coronavirus pandemic.

SCHOOL BUSINESS-Students who are out of the building for school business are not considered absent.

1. School Business activities are learning opportunities that are available outside of the building or classroom.
2. Students involved in these activities are responsible for arranging to have their work from any class missed ready to turn in upon returning to class.
3. Work missed due to a School Business activity will not be considered make-up work, and will not be eligible for extended time.

EXCUSED-An absence is excused in the following instances:

1. Personal illness of the student with official written verification.
2. Official school sponsored activity.
3. Court appearances with official written verification.
4. Medical/Dental appointments with official written verification.
(Parents/guardians are urged to schedule medical or dental appointments after school hours. When this is not possible, the appointment should be scheduled during a study hall or scheduled so that the student will not miss the same class(es) repeatedly.)
5. Death or serious illness in the immediate or extended family. (Official written verification may be required.)
6. Bereavement following the death of an immediate family member (Parent, Sibling, or Grandparent), students may be excused for a total of 3 days. A funeral announcement will need to be provided in order to excuse the absence. This total will include any travel time should the funeral be out of town.

An excused absence shall afford the student the privilege of making up all assignments and/or class activities as the teachers direct. Official written verification includes signed doctor, dentist, court or legal documents identifying the office and/or the name of the professional who provided the service.

PARENT PERMISSION

1. Parent permission may be granted for any reason, including personal illness without written verification, provided the parent has contacted the attendance office, by a note or phone call, the day the absence occurs.
2. The student may not exceed five (5) parent permission absence days for the year. If a student exceeds five (5) days of parent permission absences in any class for the year, all parent permission days thereafter are classified as unexcused.
3. Parent permission shall afford the student the privilege of making up all assignments and/or class activities as the teachers direct.
4. Absences for parent permission shall not be granted in conflict with semester examination schedules.

COLLEGE VISITS

Seniors and juniors are allowed two college days for the year, one each semester. These days are to be used for visiting prospective colleges and universities. Request forms are to be picked up in the attendance office and returned to the attendance office by 1:30 p.m. the day prior to the absence. A letter from the college or university, signed by a school official and stating that the student made the visit is required if college leave is to be granted. The letter is to be submitted to the attendance office on the day the student returns to school. Failure to provide this documentation will result in a parent permission absence.

UNEXCUSED ABSENCES

1. An unexcused absence shall be considered to be a willful absence (truant) from school if it is without the knowledge of the student's parents/guardian.
2. Any other absence not considered excused in the two preceding sections will be counted as unexcused.
3. Any student who is truant or has an unexcused absence forfeits the right to make up any work for credit.
4. Students on short-term suspension from school (not to exceed ten days) shall be considered absent but excused for the purpose of absenteeism. These students will be expected to make up their school work and may receive full credit upon satisfactory completion. The sole responsibility for completing assigned work rests with the student. All make-up work should be returned to the appropriate teacher upon the student's return to school. No suspended student will be denied the opportunity to take semester tests.
5. A student with four (4) or more unexcused absences per semester may be assigned consequences.

PARENT/GUARDIAN CONTACT

The parent/guardian should contact the school attendance clerk by 9:00 a.m. any day that a student will be absent. Parents should provide their name, their child's name and grade, and the reason for their child's absence. In addition to assisting the school with the attendance record, parent/guardian notification to the school is a security measure to verify the locations of all students. Any other concerns over the child's attendance or tardy record should be addressed with the attendance clerk.

Upon the second unexcused absence in any semester the parent/guardian will be notified by phone or letter that upon the fourth unexcused absence the student may be assigned to Saturday School and a petition will be filed with the County Prosecuting Attorney or City Prosecuting Attorney to request appropriate legal action necessary to improve the student's attendance. Such notification may lead to a penalty of up to \$500 plus court costs in accordance with A.C.A. 6-18-222.

Students with long-term, medically documented illness or injury may be allowed to make up work and may be given assistance in obtaining credit for courses in which they are enrolled.

COURSE CREDIT

Credit may be denied to students grades 9-12 enrolled in credit courses when a student has more than 15 total days absent in a semester.

DENIAL OF PROMOTION

Excessive absences may be a basis for denial for promotion or graduation.

GRADING

A student who is absent from any given class will be permitted to make up major tests and major assignments if the student has an excused absence. The student must make arrangements with the teachers on the first day the student returns to class to complete work missed because of an excused absence. A student will be given a “0” or “F” if the assignment(s) missed is the result of an “unexcused” absence.

MAKE-UP WORK

(This Policy is Subject to Change)

A student whose absence falls under the Excused Absence or Parent Permission Policy has the same number of days they were absent to turn in make-up work.

Students suspended from school will be expected to make up their school work and may receive full credit upon satisfactory completion. The sole responsibility for completing assigned work rests with the student. All make-up work should be returned to the appropriate teacher upon the student’s return to school.

Any unexcused absence or a truant student forfeits the right to make up any work for credit.

ASSIGNMENTS WITH DEADLINES

Work assigned that has a deadline for turning it in (such as projects, literary analysis, term papers, leaf or bug collections, etc.) is due on that deadline date whether the student is absent or not. The deadline date is simply the last date that an assignment can be turned in.

STEPS TO FOLLOW WHEN ENTERING LATE OR LEAVING SCHOOL EARLY:

1. Students entering late or leaving early during any part of the day **MUST** scan in or out via QR code and complete the Google Form for check-in/check-out. Students should have their parent/guardian call the front office for an exit if needing to leave during a class period.
2. All students entering late will be counted as tardy. Entering after the first 20 minutes of a class will be counted as an absence.

EXITS:

Students are **NOT** allowed to leave campus unless their parent/guardian has signed the Blended Learning Attendance Procedure Parent Consent Form, otherwise parents must call the front office for an exit.

ATTENDANCE POLICY (Students 18 or older)

Students who are 18 years old or older may be dropped from class and/or school if they fail to make adequate academic progress.

SEMESTER TEST EXEMPTION POLICY (This Policy is Subject to Change)

Students may have the opportunity to earn exemptions from semester exams based on excellent academic performance (grades). Attendance will not be a factor in determining exemptions from semester exams.

TARDINESS PENALTIES

1. Promptness is expected of all students. A pupil who is not in his/her proper place when the tardy bell rings is considered tardy.
2. If you have been detained by a teacher, ask for a note from that teacher before going to the office for a tardy slip.
3. Tardies are recorded per semester.
4. Repeated tardiness to class will result in the following penalties:
 - 1st-3rd tardy –Classroom policy applies. Teacher records and informs the student.
 - 4th tardy - Sent to office & given 1 day of lunch detention
 - 5th tardy - Sent to office & given 2 days of lunch detention.
 - 6th tardy - Sent to office & given 1 day in SDC.
 - 7th tardy - Sent to office & given 1 day in SDC.
 - 8th tardy - Sent to office & given 2 days of SDC
 - 9th tardy - Sent to office & given 2 days of SDC
 - 10th tardy - Sent to office: Discretion of the assistant principal, including but not limited to SDC, Saturday School, and/or denial of credit.

ILLNESS AT SCHOOL/HEALTH CONCERNS

Parents should call the school nurse for questions or concerns over their child's health. The school nurse can provide information about the child's health if that child has previously reported any concerns or problems. Parents should allow the school nurse to share any necessary information about their child with that child's teachers.

The following procedures will be followed if you become ill at school:

1. A student becoming ill must report to the attendance office.
2. If a student has to stop by the restroom before coming to the attendance office, he must report to the attendance office as soon as possible or send someone to the office to notify the attendance office of his/her whereabouts.
3. Students are not to leave the building or stay in the restroom when they become sick.
4. Students who come to the health room may be sent home by the nurse after a parent/guardian is contacted. A parent/guardian can give permission to exit or send the student back to class.
5. Failure to follow these procedures will result in the student being considered truant. (See Penalties for Truancy)

HALL PASSES

Students are required to have a valid hall pass from a teacher or administrator giving permission to be out of the classroom.

LEAVING CAMPUS

Given the uniqueness of the blended learning environment this school year, students may find themselves in a situation where they do not need to be in class all day long. If a student does not need to be in a class during a particular period, they may leave campus **ONLY** if they have a signed Blended Learning Attendance Procedure Parent Consent Form on file.

Students are not allowed to go to their cars unless they are leaving campus. Students who go to their car outside this guideline will be subject to disciplinary action. Note: When students arrive at school in the morning, they will be allowed to stay in their cars until 8:05.

TRUANCY

A student absent without the consent of his/her parent/guardian is truant. Truancies are recorded per year. You are also considered truant if you:

- Leave school without checking out through the office,
- Are absent from a class without permission,
- Obtain a pass or transfer to go to a certain place and do not report there,
- Become ill and go home or stay in a restroom instead of reporting to the health room.

Truancy will result in the following penalties:

1st Offense – Parent/Guardians notified of the truancy. Student assigned 1 day in SDC and warned of the penalties for future truancies.

2nd Offense – Parent/Guardians notified of the truancy. Student assigned 2 days in SDC.

3rd Offense – Parent/Guardians notified of the truancy. Student assigned 3 days in SDC.

Subsequent offenses will be left to administrator discretion.

LUNCH

Southside has a cafeteria where students can purchase lunch either from a regular plate lunch or a variety of foods. The following rules must be observed when using the cafeteria:

1. Outside deliveries of any kind will not be permitted.
2. Do not leave trays, paper, milk cartons, paper cups, or silverware on the tables. Return them to the dishwashing area and deposit them in the proper place.
3. Students are discouraged from taking food into hallways, stairwells, or classrooms. Students are expected to police their own trash.
4. Students must adhere to social distancing guidelines and wear masks when not eating.
5. It is not the responsibility of cafeteria personnel or custodians to clean up after you. It is your responsibility.
6. Must show own student I.D. If lost, additional I.D. cards can be purchased for \$3.00 in the Media Center
7. Failure to abide by the above rules will result in disciplinary action.

TOBACCO POLICY

Smoking and/or possession of tobacco, tobacco related products, or electronic cigarettes of any kind is not allowed on the Southside campus, parking lot, in the building, or at any school sponsored activity. Further, it is against the law in the state of Arkansas.

Penalties for violation of tobacco rules are:

1st Offense – Parent/Guardians notified of the offense. Student assigned 3 days SDC.

2nd Offense – Parent/Guardians notified of the offense. Student assigned 3 days out of school suspension.

Subsequent offenses will be left to administrator discretion.

CONTROLLED SUBSTANCE RELATED DISCIPLINE PROCEDURES

(A student shall not possess, sell, use, transmit, or be under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, beverages containing alcohol, other intoxicant or mood-altering substance of any kind, or other controlled substances, as defined in the State of Arkansas Uniform Controlled Substances Act 5-64-101. A student may not possess any substance represented to be a controlled substance. A student may not possess any drug or alcohol paraphernalia.)

Students who involve themselves with illegal controlled substances (including alcohol) and participate in school activities are not appropriately fulfilling their responsibilities to properly represent their school and set good examples for others. Therefore, the following policy has been developed for school administrators to follow when controlled substance problems are encountered:

1. DISCIPLINARY ACTION TAKEN TOWARD STUDENTS WHO ARE INVOLVED WITH CONTROLLED SUBSTANCES:

1st Violation - The student will be subject to disciplinary action which may include suspension from school and/or possible recommendation for expulsion and the police will be notified

2nd Violation -The student shall be suspended for a minimum of 10 days with a recommendation for possible expulsion. The police will be notified.

Controlled Substance – Activity Program

The activity program acts as an extension of the school curriculum and is an integral part of the educational program. Participation in activities helps prepare students for responsible roles in society, allows students the privilege of representing their school, and affords these students the opportunity to set good examples for others to follow.

2. DISCIPLINARY ACTION TAKEN TOWARDS STUDENTS WHO ARE INVOLVED WITH CONTROLLED SUBSTANCES AT SCHOOL OR WHILE PARTICIPATING IN A SCHOOL ACTIVITY AND ARE INVOLVED IN EXTRACURRICULAR ACTIVITIES:

1st Violation -The student shall be removed from that said activity until all the requirements are met in Number 1, 1st Violation.

2nd Violation-The student will be removed from all extracurricular activities and shall not be allowed to participate in any school activities for the remainder of that school year. Also see Number 1, the 2nd violation above.

3. DISCIPLINARY ACTION TAKEN TOWARD STUDENTS WHO ARE INVOLVED WITH CONTROLLED SUBSTANCES BUT NOT AT SCHOOL OR WHILE PARTICIPATING IN A SCHOOL ACTIVITY AND ARE INVOLVED IN EXTRACURRICULAR ACTIVITIES:

1st Violation -Allow the coach or sponsor to handle individually. Student will not be suspended from school but may be suspended from the activity for a period of time, or suspended for a certain number of games or activities. Parents will be notified.

2nd Violation-The student will be dropped from the activity for the balance of the year and his/her parent/guardian will be notified.

The administration reserves the right to recommend long term suspension or expulsion when the offense is serious enough to warrant a more severe penalty.

DRESS CODE FOR SECONDARY SCHOOLS

In order to enhance high standards and promote the teaching and learning process in our schools, we must encourage neatness, cleanliness, and decency in personal dress and appearance of all students and school personnel. In view of that, all students and school personnel will be expected to be dressed and groomed to present a respectable image by keeping with current styles and good taste during the school day and at school activities.

General:

1. Students will be expected to wear school clothing and not recreational apparel to school.
2. Styles must not infringe on the rights of others or pose a hazard to personal safety.
3. State health laws require that shoes be worn at all times.
4. Hair must be neat and clean.

Specific Prohibitions:

- 1) Clothing styles that are revealing to the point of disruption or distraction.
Examples include but are not limited to the following:
 - a) Spaghetti straps.
 - b) Any type of strapless apparel.
 - c) Shirts, blouses or tops that expose any part of the midriff.
 - d) Any type of spandex apparel or clothing that is tight to the point of being inappropriately revealing.
 - e) Low-cut attire, bare backs, halter tops, mesh attire, or shirts, tops or blouses with wide open sides, tank tops, see through clothing, etc.
 - f) Underwear cannot be exposed.
 - g) Leggings and tights must be covered by a skirt, shirt or dress that meets the mid-thigh rule.
- 2) Clothing or body art that advocates poor standards of character and citizenship. Items in this category include:
 - a) Advertisements for alcohol, drugs or tobacco.
 - b) Displays of excessive violence. Slogans associated with death, suicide or killing are included.
 - c) Suggestive language, slogans or sexual connotations.
- 3) Clothing, drawings, body art, or items that denote or suggest membership in a public school fraternity, sorority, secret society or organization, or gang.
- 4) Shorts or skorts.
 - a) Student shorts must be mid-thigh length all the way around the body. Holes and/or rips in the shorts or pants may not be above the mid-thigh. Spandex or form fitting shorts are not allowed regardless of the length. Skirts may be worn by girls, and should be at least mid-thigh length.
- 5) All clothing must be worn in the manner in which it was intended. Clothing with straps, suspenders, etc. must be worn with all straps properly fastened.

- 6) Clothing resembling sleepwear, such as pajamas, house shoes, slippers, etc. is prohibited.
- 7) Hats or other head coverings are prohibited on campus except at athletic events or outdoor activities. "Sagging" or "bagging" is prohibited.
- 8) Sunglasses (worn in the building) are prohibited.
- 9) Any type of chain, including wallet chains, dog chains or collars, or studded apparel is prohibited.
- 10) Trench coats or overcoats cannot be worn during the day.

DISCIPLINE

It is impossible for teaching or learning to take place in a classroom unless good order is maintained. The staff and faculty at Southside have a positive, professional attitude toward discipline that fosters and rewards mature, responsible behavior by students. However, if a student does behave in a disruptive manner or disobeys school rules, there are certain minimum steps that will be followed that insure the involvement of teacher, parent, counselor and administrators with the student to correct the behavior problem. If it becomes necessary to suspend a student for behavior problems, all entitlements of due process of the law will have been met. Disciplinary actions may be appealed. All appeals must begin with the building principal.

IN-SCHOOL SUSPENSION - STUDENT DISCIPLINE CENTER (SDC)

In an attempt to provide an alternative to out-of-school suspensions, Southside has instituted the use of SDC (Student Discipline Center). This is a means of preventing a student from being regularly suspended from school and will give him/her the opportunity to carry on their regular work and be in attendance.

The following guidelines will be used when a student is assigned to SDC:

1. Students will attend the Student Discipline Center (SDC) the entire school day.
 - a. One five-minute break in the morning and one five-minute break in the afternoon.
 - b. Lunch will be eaten in the cafeteria under the supervision of the teacher.
2. If a student causes a problem to SDC he/she will be sent back to the assistant principal for additional disciplinary action.
3. Once a student has been assigned to SDC, his/her parents will be notified. The parent will be offered the choice to keep the student home or send him/her to school during SDC days. If the student reports to school, he/she will serve the entire school day in SDC. Regardless, all assignments are available in Schoology, and will be due on the due date assigned by the teacher.
4. If a student is sent to the assistant principal from a particular teacher's classroom for a disciplinary reason and is assigned to SDC, he/she may be kept out of that class for that day and then assigned to SDC the following day.
5. All assignments will be available in Schoology and will be due on the date assigned by the teacher.
6. Students are expected to be working for the entire time they are in SDC. If a student refuses to work, they will be referred back to an assistant principal for further discipline.
7. Students assigned to SDC will be excluded from extracurricular activities during school hours for that day or days. (This does not include those activities held after school -- 3:10 p.m.)
8. Electronic devices (including cell phones) are NOT allowed in SDC. Students assigned to SDC who bring an electronic device to school must leave it in their car or locker or check it in with the SDC teacher at the beginning of the day. Students in possession of an electronic device while assigned to SDC will be assigned additional consequences.

SUSPENSION (OUT-OF-SCHOOL)

Suspension from school is a penalty which may be used for chronic or serious infractions of school rules. Excessive suspension may result in expulsion. The following guidelines will be used when suspending a student:

1. Length of suspension will be determined by school authorities and will reflect the offense committed.
2. Parent/Guardians will be notified in writing of the action taken.
3. A student on suspension will not be allowed to participate in or attend any school activity at or away from school.
4. A student on suspension will not be allowed on school property unless accompanied by a parent/guardian on official business. Violation of this regulation will result in the student being prosecuted for trespassing and will also result in additional days of suspension.
5. When students have been notified that they are suspended from school, they shall remain away from all school district premises and any school district activities, in town or out of town, until the principal or designee reinstates them. Suspended students may return to school premises when accompanied by their parent/guardian for a student/parent/principal conference.
6. Students on short-term suspension from school (not to exceed ten days) will be expected to complete their school work and will receive full credit upon satisfactory completion. The sole responsibility for completing assigned work rests with the student. All work will be due on the date established by the teacher. All assignments will be available in Schoology.
7. Students are expected to complete work during the suspension and will receive full credit upon satisfactory completion. All make-up work should be returned to the appropriate teacher upon the student's return to school.

TYPES OF ACTION FOR WHICH A STUDENT MAY BE SUSPENDED OR EXPELLED (*including but not limited to*):

- Repeated truancy, excessive tardiness or excessive absences
- "Cutting" class
- Fighting - Students fighting (aggressor or defender) will result in a minimum 5-day out of school suspension. The police may be notified and both students could be charged with disorderly conduct.
- Smoking, possession or use of tobacco products, lighters or matches
- Possession, use, sale or under the influence of alcoholic beverages
- Possession, use, sale or under the influence of a controlled substance, controlled substance literature or paraphernalia
- Possession or use of firearms or weapons on campus
- Possession of fireworks or other explosive devices
- Possession of pornographic or sexually explicit material
- Persistent violation of school regulations
- Hazardous or reckless driving in parking areas, school grounds, or access roads
- Profanity - will result in a 1-day minimum of SDC (In-school suspension). If directed toward another student up to 5-days out of school. If directed toward any faculty/staff up to 10-days out of school suspension.
- Open displays of affection or immoral conduct
- Willful refusal to follow reasonable instructions
- Stealing food from cafeteria
- Being in parking lots without permission
- Extreme dress that is disruptive to class, i.e.: sagging, costumes, etc.

- Destruction or defacing of school property
- Forging, falsifying, or possessing school forms or using forged notes or excuses
- Disrespect toward teachers or other school employees - “Any person who shall abuse or insult a public school teacher while such teacher is performing normal and regular or assigned school responsibilities shall be guilty of a misdemeanor and upon conviction shall be liable to a fine of not less than \$100 nor more than \$1,500.” (Act 6-17-106 of 1995)
- Fraternity/Sorority Activity School Policy: Prohibits as a breach of discipline the display, publication or announcement in any manner, on school property and in school facilities and with relation to any part or facet of the program, membership in a national high school fraternity or sorority. This is intended to include within the prohibition, at school or in connection with school activities, the wearing of fraternity or sorority insignia; the assembling of groups based on fraternity or sorority membership; influence or attempted influence upon school affairs or activities by pupils as members of fraternities or sororities; or communications orally or in writing in any manner of membership or any other fact regarding fraternities or sororities.
- Gang Activity Policy: Prohibits as a breach of discipline the display, publication or announcement in any manner, on school property and in school facilities and with relation to any part or facet of the school program, membership in any gang. This is intended to include within the prohibition, at school or in connection with school activities, the wearing of gang insignia, colors, or clothing; the assembling of groups based on gang membership; influence or attempted influence upon school affairs or activities by pupils as members of gangs; or communications orally or in writing in any manner of membership of any other fact regarding gangs.
- Cheating on tests or other assignments
- Possession of a laser light or laser pointer of any kind
- Unapproved use of cell phones or iPods during instruction time.
- In-school suspension (SDC) violations
- Sexual harassment

PROHIBITED ARTICLES IN THE SCHOOL

The following articles are hazardous to safety or disruptive to classes and are prohibited in the school *(including but not limited to)*:

- Tobacco products - cigarettes, cigars, smokeless tobacco (snuff), chewing tobacco, lighters, matches, vapors, e-cigs, etc.
- Water pistols
- Sling shots
- Knives or weapons
- Firecrackers, smoke bombs, rockets, etc.
- Horns and other noisemakers
- Cap guns
- Drug paraphernalia and literature
- Laser pointers or laser lights of any kind
- Pornographic or sexually explicit material
- Chains on billfolds
- Use of skateboards and other similar devices are prohibited on school property - Violators will be prosecuted.
- No pets of any kind are allowed on school property or at any school activity without the express permission of the building principal.

BRING YOUR OWN DEVICE POLICY

Digital devices such as smartphones, electronic notebooks, or laptops may be used in a classroom if the teacher has granted permission for their use under the Internet Acceptable Use Policy, District Handbook, Section XII. The Fort Smith Public Schools' digital devices, networks and Internet access are provided to support the educational mission of the schools and to enhance the curriculum and learning opportunities for students and school staff. This policy and the accompanying rules also apply to digital devices issued directly to students, whether in use at school or off school premises.

Students are allowed to use privately-owned devices at school with prior authorization by school officials, provided that they comply with this policy and the accompanying rules.

The Cell Phone Policy below is still in effect for non-teacher approved use of digital devices or cell phones.

Students have no expectation of privacy in their use of school digital devices or a privately owned device while at school.

See the Fort Smith Public Schools Handbook for the full Bring Your Own Device Policy.

CELL PHONE POLICY/ELECTRONIC DEVICES

It is important that students and parents recognize the importance of school and the use of instructional time. Disruption and interruptions must be kept to a minimum. Students are prohibited to operate electronic devices during instructional time without permission. Instructional time is when the bell rings to begin the class period until it rings to end the period, 1st through 7th period. Students may not use their devices in the office areas without permission. Digital devices may be used by secondary students on campus outside the classroom (before school, lunch, after school and during the passing period) provided such use does not interfere with the educational process of the school. No student shall make any audio and/or video recording (including still photography) on a school campus or at a school activity without permission. The school is not responsible for unauthorized electronic devices when they are confiscated from students. The following is the rationale for limiting access to phones during school hours.

1. Electronic devices have been used to exploit personal information and compromise the integrity of educational programs.
2. Electronic devices have been used to take photos of people in locker rooms and restrooms.
3. Electronic devices have been used to cheat on tests in classrooms.
4. Electronic devices used by students can hamper rumor control and in doing so, disrupt and delay effective public safety personnel response.
5. Electronic devices used by students can impede public safety response by accelerating parental response to the scene of an emergency during times when officials may be attempting to evacuate students to another site.
6. Cell phone systems can become, during an emergency, overloaded with large student use at a critical time hampering administrative and crisis team efforts to use them to communicate.

Violation of this policy will result in:

1st Offense – Warning and confiscation of the device.

2nd Offense – SDC for 1 day, confiscation of the device.

3rd Offense – SDC for 3 days, confiscation of the device.

4th Offense – Out of School suspension, confiscation of the device.

*Phones confiscated from students will not be returned until the end of the next school day. If phones are confiscated on Friday, phones cannot be picked up until the next school day. The school will not be responsible for loss, damage, or theft of any electronic device brought to school or onto district property.

CHEATING

All students need to develop the character qualities of honesty and integrity. Students need to “pass” on their own efforts and ability and through study and commitment to hard work. To do anything less is not acceptable.

Students found cheating will be given a zero on whatever assignment is involved. A referral will be sent to the assistant principal’s office, the parent will be notified, and the student was given a day of SDC. The second referral, whether by the same or different teacher, will result in suspension from school. A second referral in the same class may also result in dismissal from that class with an “F” for the semester. A third referral may lead to a 10-day suspension and recommendation for expulsion from Southside High School. Cheating compounded by theft and/or profiteering may be dealt with by dismissal from the class and suspension from school.

The following represents a partial list of the actions that will be considered cheating:

DURING A QUIZ OR TEST --

1. Looking at someone else’s paper
2. Talking with another student
3. Using “cheat notes”
4. Allowing another to see your paper
5. Allowing another student to access your electronic device or files.

DURING OTHER SCHOOL ASSIGNMENTS --

1. Passing on information after a test or quiz
2. Copying another’s homework or letting others copy your homework
3. Plagiarizing another’s work as your own
4. Allowing another student to access your electronic device or files.

THEFT AND/OR PROFITEERING -- (Includes but is not limited to :)

1. Stealing a test or answer sheet
2. Stealing teacher editions of textbooks
3. Selling test or information about any test or project
4. Making copies of tests or assignments
5. Receiving copies of tests or assignments

(Behavior not covered above)

6. The School District reserves the right to discipline student behavior which is not conducive to good order and discipline in the schools, even though such behavior is not specified in the preceding written rules.
7. Students shall make restitution of any property stolen by them and shall be subject to other disciplinary measures.

SEARCH, SEIZURE, AND MONITORING

Search and seizures are permissible when there is reasonable belief that a controlled substance, weapon, or items in violation of school policy are present (ACA 6-21-608).

Privately-owned automobiles parked on school property may be searched by a school administrator if there is reasonable suspicion that the search will produce evidence indicating the student has violated the law or school rules.

School buildings and campuses (including parking lots) are subject to periodic search by the canine unit of the Fort Smith Police Department in an effort to reduce the presence of illegal and prohibited items on the campus.

Fort Smith schools use video surveillance to assist in security and investigations.

FIRE, BOMB THREAT, AND TORNADO DRILLS

Fire drill - Fire drills are held at various times throughout the school year to prepare students to exit the building in case of fire or other dangers. The following procedures must be followed to ensure maximum safety:

1. A fire evacuation plan is posted in every room. Students should become familiar with the plan for each room they are in.
2. When the fire alarm sounds, students must obey orders promptly and leave the building according to the evacuation plan.
3. The fire drill signal is a continuous series of blasts on the fire alarm.
4. Students are not to run, talk, pass others, or engage in any “horseplay” during drills or actual alerts.
5. Remain at least 100 feet from the building until the “all clear” signal is given. The “all clear” signal is a short series of blasts on the fire alarm.

Bomb Threat Drill - The regular fire drill evacuation routes will be followed in case of a bomb threat. Students will be notified by sound system when there is a bomb threat.

Tornado Drill - The signal for any emergency-except fire-will be a continuous siren. When the alarm sounds:

1. Students move quickly to the downstairs hallway.
2. Sit down as closely to the walls of the hallway as possible.
3. Lower heads between knees and cover head with hands to help avert flying glass or debris.
4. Roll will be checked.
5. The all clear signal will be one long ring of the bell.
6. Practice drills will be held prior to the tornado season.

BUS REGULATIONS

Buses are provided to transport students to and from school in certain areas of the city. This service is a privilege granted to those who do not abuse it. Failure to follow the rules set up for using this service will result in the student being suspended from using the bus service. Parents should call the school transportation supervisor for concerns over their child’s bus transportation.

The following rules must be observed by those using the bus service:

- Students should be on time at the designated pick up point.
- Bus riders are under the supervision of the driver and must obey his/her instructions.
- Keep head and hands inside the bus at all times.
- No “horseplay” or loud talking is permitted on the bus.
- Do not tamper with or damage any part of the bus.
- Do not leave your seat while the bus is in motion.
- Do not throw anything from the bus windows.
- No smoking, drinking or eating is permitted on the bus.
- Student behavior must not violate any rules listed in other sections of this handbook.
- Emergency exits are to be used only in case of an emergency.
- Be courteous to fellow students and to the driver.

- Cloth Masks are to be worn while riding a bus.

PARKING

Southside High School provides parking space for student automobiles on its two parking lots. Students driving cars to school must obey the following regulations. Failure to abide by these regulations will result in disciplinary action ranging from warnings to suspension, or suspension of parking lot privileges, or both.

- Students must register their vehicles with the school each year. Failure to do so or giving incorrect information may result in disciplinary action.
- Students must park their vehicles only in the student parking lots when they arrive on campus and cannot “cruise” the lots. Do not sit in parked vehicles or loiter in the parking area.
- Vehicles must be parked in designated parking spaces and not in unauthorized areas.
- Do not park on any islands.
- Do not “jump” any curb to park.
- Do not park in grass areas or in “No Parking” areas.
- Abide by the posted speed limit signs.
- Do not block aisles, entrances, exits, service roads or other cars.
- Do not park on the service road, in front or back of the school.
- - Parking lots are subject to periodic search by the Canine Unit of the Fort Smith Police Department.
- Privately-owned automobiles parked on school property may be searched by a school administrator if there is reasonable suspicion that the search will produce evidence indicating the student has violated the law or school rules.

ANTI-BULLYING POLICY

The District is committed to providing a safe learning environment for each of its students. Student achievement is best attained in an atmosphere that is free from the fear of emotional and physical intimidation and threats. Bullying is a destructive behavior that will erode the foundational principles on which a school is built. Bullying is prohibited while in school, on school equipment or property, in school vehicles, on school buses, at designated school bus stops, at school sponsored activities, at school sanctioned events; or by an electronic act that results in the substantial disruption of the orderly operation of the school or educational environment. This will apply to an electronic act whether or not the electronic act originated on school property or with school equipment, if the electronic act is directed specifically at students or school personnel and maliciously intended for the purpose of disrupting school, and has a high likelihood of succeeding in that purpose. The District will not tolerate any behavior that is classified as bullying and will take steps to eliminate such behavior.

The District offers training and materials regarding policy compliance, the nature of bullying, its consequences, and the procedures for reporting bullying behavior to district employees responsible for reporting or investigating bullying. School employees and volunteers who have witnessed or have reliable information that a student has been a victim of bullying shall report the incident to the building principal or designee.

Students who believe they have been a victim of bullying or parents who believe their child has been victimized by a bully, should file a complaint by contacting a school counselor, teacher, or principal. After an investigation of a complaint has been completed, and a record is made of the investigation, a student found to be in violation of this policy will be subject to disciplinary action that is appropriate to the degree of seriousness of the bully behavior, the age of the offending student, and the frequency of the behavior. The person who files the complaint will not be subject to retaliation or reprisal in any form. For the purposes of this policy, bullying means the intentional harassment, intimidation, humiliation, ridicule, defamation, or threat or incitement of violence by a student against another student or public school employee by a written, verbal, electronic, or physical act that may address an attribute of the other student, public school employee, or person with whom the

other student or public school employee is associated and that causes or creates actual or reasonably foreseeable: physical harm to a public school employee or student or damage to the public school employee's or student's property; substantial interference with a student's education or with a public school employee's role in education; a hostile educational environment for one or more students or public school employees due to the severity, persistence or pervasiveness of the act; or substantial disruption of the orderly operation of the school or educational environment. Whereas "attribute" means an actual or perceived personal characteristic including without limitation race, color, religion, ancestry, national origin, socioeconomic status, disability, gender, gender identity, physical appearance, health condition, or sexual orientation. Bullying behavior will generally be established when an individual has endured a pattern of offensive behavior or when a single serious act is committed depending on the surrounding circumstances (ACA 6-18-514).

Individuals who withhold information, purposely provide inaccurate facts, or otherwise hinder an investigation of a student for the purposes of bullying, shall be subject to disciplinary action.

BACKPACKS

Backpacks may be carried during the school day to allow for students to carry Chromebooks. Oversized bags will not be allowed.

ASSEMBLIES, GAMES & ACTIVITIES

Assemblies are a regularly scheduled part of the curriculum and are designed to be educational as well as entertaining experiences. They provide one of the few opportunities in school to learn formal audience behavior. Regardless of the type of program, courtesy demands that the student body be respectful and appreciative. In live entertainment, unlike radio, television or movies, the performers are very conscious of their audience. Talking, whispering, whistling, stamping of feet, and booing are discourteous. Yelling is appropriate only at pep assemblies.

- Do not take books or coats to the assembly unless instructed otherwise.
- Proceed to the assembly area quietly and promptly. Find your seat quickly.
- During pep assemblies, students are seated by grade level.
- 7A sportsmanship policies will be adhered to and strictly enforced.
- Listen to announcements for information regarding dismissal.

7A SPORTSMANSHIP POLICY

Activities are an important aspect of the total education process in our schools. They provide an arena for participants to grow, to excel, to understand, and to value the concepts of SPORTSMANSHIP and teamwork. They are an opportunity for coaches and school staff to teach and model SPORTSMANSHIP, to build school pride, and to increase student/community involvement—this ultimately translates into improved academic performance. Activities are also an opportunity for the community to demonstrate its support for the participants and the school and to model the concepts of SPORTSMANSHIP for our youth as respected representatives of society. SPORTSMANSHIP IS GOOD CITIZENSHIP IN ACTION!

BASIC PHILOSOPHY

Fans are not at ball games to intimidate or ridicule the other team or its fans but to support and cheer for their team and to enjoy watching skill and competition.

Article 1: SPORTSMANSHIP includes a general way of thinking and behaving. GOOD SPORTSMANSHIP includes the following:

- a. Be courteous to all (participants, coaches, officials, staff, fans, spirit groups.)
- b. Know the rules, abide by and respect the officials' decisions.
- c. Win with character and lose with dignity.
- d. Display appreciation for good performance regardless of the team.
- e. Exercise self-control and reflect positively upon yourself, team, and school.
- f. Permit only POSITIVE behavior to reflect on your school and its activities. Yell for your team, not against the other team.

Article 2: Specific Prohibitions

- a. Students or spectators who wear extreme or unusual clothing to the game or who paint their faces or bodies will not be allowed in the game.
- b. Negative, demeaning, or obscene yells will not be permitted at any athletic event while teams are being introduced, or when teams, cheerleaders, or drill teams are performing.
- b. Students will not be allowed to turn their backs or hold up newspapers while teams are being introduced, or when teams, cheerleaders, or drill teams are performing.

EXTRACURRICULAR ACTIVITIES

The Board of Education believes that student activities sponsored by the school district program are a vital part of the total education program and should be used as a means of developing wholesome attitudes and good human relations as well as knowledge and skills. The Board further recognizes that not all the district's goals and objectives can be met in formal classroom study. Therefore, the district's extracurricular programs will provide opportunities for student participation in activities designed to meet their leisure, recreational, social, and emotional interests and needs.

Extracurricular/non-instructional activities are defined as any school sponsored activity which is not part of a course of study including, but not limited to pep rallies, intramurals, clubs, athletic teams, cheerleaders, drill teams, and other similar groups. Student activities in the Fort Smith Public Schools will be governed by the following guidelines:

1. Student activities shall be scheduled for practices, meetings, performances, etc. outside the school day as much as is practical.
2. To participate in activities such as athletics, cheerleaders, drill teams, or similar organizations, a student must maintain a 2.0 grade point average each semester and pass four core subjects the previous semester. Honor societies and other select activities may establish higher academic requirements for participation.
3. All students participating in activities governed by the Arkansas Activities Association shall meet applicable standards for the particular activity.
4. Students shall not be eligible to participate in any athletic event or other extracurricular/non-instructional activity while on suspension.
5. Interruptions of academic classes should be kept to a minimum.

(This policy is adopted as partial fulfillment of the requirements specified in Standard for Accreditation, Arkansas Public Schools.)

ARKANSAS SCHOLARS

Designed to reinforce that high school matters, Arkansas Scholars is a partnership between Fort Smith Regional Chamber of Commerce and Fort Smith Public Schools. Students who maintain Arkansas Scholar standards from ninth through twelfth grades qualify for valuable community incentives. The standards are:

- Make no grade lower than a C
- Take the right courses; and complete school in eight consecutive semesters

Incentives offered to Arkansas Scholars include seals on transcripts and diplomas; “Hire Me First” cards and letters of recommendation to assist in finding summer employment; a senior luncheon hosted by the Chamber of Commerce; medallions to wear at graduation; and historically a one-year scholarship to UA Fort Smith.

TESTING INFORMATION

PSAT-The PSAT/NMSQT is a national test that is administered to juniors in October. The PSAT/NMSQT is divided into two sections, Verbal and Math. College bound juniors should take the PSAT/NMSQT because:

- It is good practice for the SAT and it gives students an idea of how they will score on the SAT.
- Students can see how they compare to other college bound students across the country.
- Students whose scores are exceptionally high are recognized by the National Merit Foundation as qualifiers as a National Merit Semi-Finalist. This recognition may lead to scholarship opportunities.

ACT-The American College Testing Program is an organization that administers an aptitude examination known as the American College Test. It is a 3-hour exam, which consists of a battery of four tests: English, Mathematics, Reading, and Science Reasoning. The ACT Plus Writing is available which includes the multiple-choice test plus an optional 30-minute writing test. Students can register to take the ACT Assessment with or without the plus writing test option. There are five national Saturday test dates for the ACT: September, October, December, February, April, and June. This ACT is scored in a range from 9 to 36. All five testing dates are offered at Southside High School.

ACT Aspire - Arkansas law requires that all public school students shall participate in a statewide program of educational assessments per Ark. Code Ann. §§ 6-15-419, 6-15-433, 6-15-2009. In the 2015-16 school year, The Arkansas State Board of Education adopted the ACT Aspire summative assessment. The ACT Aspire end-of-year summative assessment will be used to assess all Arkansas public school students in grades 3-10 unless they qualify for an alternate assessment. Each student will participate in English, reading, writing, math and science tests.

State Civics Exam - A.C.A. § 6-16-149 requires students seeking a high school diploma or high school equivalency diploma to pass the Arkansas Civics Exam with a score of 60% or better.

SAT I—The Scholastic Assessment Test is administered by the College Entrance Examination Board. Recent changes to the SAT added longer reading passages and the use of calculators. It is a 3 hour exam, which consists of sections that alternate from verbal to math. The SAT I is scored on a range of 200 to 800. There are seven national test dates.

SAT II—This exam is a one hour test also administered by the College Entrance Examination Board to measure the level of achievement in specific academic subjects. You must determine by reading the catalogs of the college to which you want to apply whether taking the SAT II is an admissions requirement. Some colleges use them to place students in the appropriate level of work when they enroll.

ASVAB—Armed Services Vocational Aptitude Battery-This exam is a comprehensive career exploration program relevant to every secondary school student thinking about pursuing some education or training beyond

high school. The test is a tool for students to use to make education and career plans and preliminary decisions for further education and career planning. The ASVAB helps students to relate values, interests, and aptitudes to a variety of career choices. As an option, these scores can be used for enlistment purposes in the military for up to 2 years after testing.

AP Advanced Placement Exams—The College Board, a nationally recognized organization, offers students the opportunity to take an AP exam and receive credit, advanced placement, or both at participating colleges. AP courses prepare students for advanced placement tests. The AP exams contain multiple choice and free-response questions scored by college faculty and AP teachers. The assessments are given on a nation-wide date in May. The grades range from 1 to 5 on the exam, and each college determines acceptance of scores for credit and advanced placement. Students who take AP classes will not receive AP credit and the corresponding grade point equivalent, unless they take the Advanced Placement exam and score at least a 2.
