BACKPACKS

Students may use backpacks for the purpose of transporting books and materials from home and school. However, all backpacks must be placed in his/her assigned locker prior to first period and remain there until the end of the day.

BUS RULES AND REGULATIONS

Students attending Chaffin are transported by four different buses. Students must ride the bus route they are assigned. Each student who rides the bus will be provided a copy of the transportation rules to be read and signed. If a student needs to ride home with another student, they must bring a note, signed by a parent one day in advance. The assistant principal will issue a visitor bus pass for that day only. The student will present this pass to the bus driver when she/he and the visitor board. All students who ride the bus wait in the bus hall area when loading in the afternoon.

VEHICLES

Motorcycles and bicycles are to be parked in the designated areas upon arrival at school and are not to be used until the end of the school day.

Junior high students are not permitted to drive automobiles on school property. A hardship driver's license does not permit the student to drive automobiles on campus.

Motorcycles may be ridden and are to be registered with the assistant principal.

ELECTRONIC DEVICES

It is important that students and parents recognize the importance of school and the use of instructional time. Disruption and interruptions must be kept to a minimum. The school is not responsible for unauthorized electronic devices when they are confiscated from students.

Violation of this policy will result in:

1st Offense – Confiscation of the electronic device for one student contact day. The parent will be required to pick up the electronic device.

2nd Offense – Confiscation of the electronic device for two student contact days. The parent will be required to pick up the electronic device after the second day and sign a form stating they understand the handbook policy. The student will be assigned one day in SDC.

3rd Offense – Confiscation of the electronic device for 10 student contact days. The parent will be required to pick up the electronic device after the 10th day. The student will be assigned two days of SDC.

4th Offense – Confiscation of the electronic device for 20 student contact days. The parent will be required to pick up the electronic device after the 20th day. The student will be assigned three days of SDC.

5th Offense – Insubordination – Administrator discretion.

Note: Any confiscation occurring before two or three day weekends that will not be completed before the weekend will include the non-student attendance days. The confiscation will start when the electronic device is taken from the student and end only after the number of confiscation days has been reached. On confiscations occurring before an extended break of 4 days or more (Thanksgiving, Christmas and Spring Break) that will not be completed before the extended break begins, the cell phone will be returned at the beginning of the extended break with the understanding that the phone will be turned back into school administration immediately following the extended break to serve any remaining confiscation days.

Any exceptions to this will be granted only by the administrator.

TARDIES

A student will be in his/her seat when the tardy bell has rung. The consequences for unexcused tardiness per class per semester are as follows:

- Tardy #1: Warning and teacher calls or writes the parent
- Tardy #2: After-school detention in the teacher's classroom
- Tardy #3: Student sent to assistant principal's office. Assigned 1 day of detention
- Tardy #4: Student sent to assistant principal's office. Assigned 1 day of SDC.
- Tardy #5 or more: Additional days of SDC and/or Saturday School

UNEXCUSED ABSENCES

Daily attendance is a vital part of academic success. The FSPS attendance policies can be found on page four of the district handbook. The consequences for excessive unexcused absences may result in:

- Unexcused absence #4: Assigned 1 day of Saturday School
- Unexcused absence #5: Assigned 2 days of Saturday School
- Unexcused absence #6: Possible FINS petition and court appearance

DETENTIONS BY TEACHERS

Students should fully understand that any teacher in the building has the authority to correct misconduct at any time. Detention period is a time when the student is assigned to stay before school, after school, or during lunch for any unacceptable student behavior. Detentions assigned by a teacher will be served in that teacher's room at the teacher's discretion.

AFTER-SCHOOL DETENTION AND S.D.C.

The administration may assign after-school detentions. These detentions must be served from 3:20 - 3:40 the day after they are assigned. Failure to serve an after-school detention will result in an assignment to S.D.C. (Student Discipline Center). S.D.C. is a self-contained room in which the student is isolated from the student body for the entire school day. The student is required to work on his/her assignments from his/her classes that day. The administration may assign a student to S.D.C. for violation of school rules. In more extreme cases, or when S.D.C. is not effective, the assistant principal may suspend a student from school up to 10 days or recommend expulsion.

LOCKERS

Each student will be assigned a locker. Lockers may be searched by officials/teachers any time without prior announcement to students. Use only the locker assigned to you and keep it locked at all times. Locks may be purchased in the office for \$6. Do not give out your locker combination to other students. Only school issued V-10 locks may be used. Students are not allowed to share lockers or congregate around lockers during passing periods.

HALLWAY PROCEDURES

1. Courtesy will be shown by walking to the right side of the hallway and stairwell.
2. There will be no running or horseplay and a minimum noise level will be maintained.
3. Students will not congregate in groups.
4. Students permitted to leave class will go to and from the destination in a prompt and businesslike manner. Teachers will keep departure and arrival times on all students leaving classrooms in the student agenda book.
5. Students are not to come to the office before getting a teacher's permission.

BEFORE AND AFTER SCHOOL

Upon arrival, all students should go directly to the courtyard area by the tornado shelter. Band and orchestra students may put up their instruments if the band/orchestra teacher is in the room to monitor students. Band/orchestra students are not to remain in the band room unless supervised, but should report to the campus area by the tornado shelter.

Students are not to enter the building before 8:00 a.m. or remain in the building after 3:15 unless requested by a staff member or are participating in a supervised activity. Students are not allowed to go to their locker before school. Students are not allowed to re-enter the building without permission from an administrator

ACCIDENTS

Every accident in the school building, on the school grounds, at practice sessions, or at any athletic event sponsored by the school must be reported immediately to the person in charge and to the school office.

Lunch Schedule

Period B 11:47 – 12:17

Period C 12:17 – 12:48

PHOTO IDENTIFICATION:

Photo identification cards will be provided for all secondary students during the Fall semester. The initial issue is free to students. Students will be required to use their identification card when purchasing food items in the cafeteria. Students who

lose/misplace their card will be required to pay a replacement fee of \$2.00 per card. Replacement cards will be requested through the school's media center.

A student on free/reduced meals may eat one time without his/her card and will be required to purchase a replacement card, pay for, or bring his/her meal thereafter. Meals may not be charged by students who do not qualify for free/reduced meals.

In order for the cafeteria to be operated efficiently and kept clean, these standards of conduct have been adopted:

Entering the Cafeteria:

1. A student must be in line or outside before the tardy bell rings or the student will be given an unexcused tardy.
2. Do not bring books or gym clothes to the cafeteria.
3. Walk to the cafeteria. Do not run in the building.
4. Form a single line. Do not cut in line or get out of line, but if necessary, see the duty teacher.

Rules of the Cafeteria:

1. You must get in line and purchase your own food.
2. Do not share food.
3. Students are not allowed to save seats.
4. Seat only four (4) to a table. Do not move from table to table.
5. Don't play with or throw your food or anything else.
6. Do not take food, candy, or drinks from the cafeteria.
7. Keep the noise level down. No shouting, singing, etc.
8. Leave when you are finished eating. This is necessary in order to make room for the next lunch period. Clean your table and push your chair in.
9. Contact a lunch duty teacher if you have an accident.

Exiting the Cafeteria:

1. Weather permitting, move outside upon leaving the cafeteria. When the weather is bad, the hall by the gym will be open.
2. Restrooms are located between the cafeteria and gym. Students are not to be in the classrooms or the locker area during lunch periods. If students go outside, they are to remain outside.
3. Each group will be allowed to enter the building after lunch at the designated time only. All students will enter the building between rooms 104 and 105. There will be no talking when entering the building.
4. B lunch students are NOT allowed to go to their locker during the passing period to lunch or from lunch to the second part of 5th period.

General Lunch Rules:

1. Direct delivery of food from restaurants is not allowed.
2. Students will not be allowed to leave campus for lunch with anyone other than a parent or guardian. The parent will be required to personally sign out the student in the school office. Notes or phone calls are not acceptable.
3. Only a parent or guardian is allowed to eat lunch with their student in the school's cafeteria.
4. Parents who bring lunches will notify the student of this action before the beginning of the school day. Students will not be called out of class to obtain their lunch from the main office.

GUIDANCE

Guidance services are available for every student in the school. These services include assistance with educational planning, interpretation of test scores occupational information, career information, study helps, help with home, school, and/or social concerns, or any question the student may feel he/she would like to discuss with the counselor. Before going to the guidance office, you must obtain a pass from the teacher whose class you will miss. Students are not allowed to change teachers during the school year due to perceived personality conflicts, personal biases, etc. towards the teacher. Student schedules and assigned teachers are computer generated. Students who enroll in athletics, cheerleading, or drill team, will be required to participate in P.E. for the remainder of the semester after the athletic season is over in order to receive credit. Students who fail to participate will be reassigned to study hall and will receive a failing grade in P.E. for the semester.

MAKE UP WORK

Students who are absent will be required to make up work missed in each class. This work should take approximately the same time as the time missed from class. A day's absence does not excuse a student from responsibility to obtain all make up work from his/her teachers immediately upon return to school. Failure to obtain make up work is no excuse for not doing work missed. Students who have unexcused absences are not allowed to make up work missed during their absence. Homework may be requested after the student has been absent for three (3) consecutive days.

TEXTBOOKS AND FEES

Textbooks are furnished in all grades. No fees are charged but some special materials may have to be purchased. Students who lose or damage their textbooks will be required to pay the full purchase price to replace the textbook.

MEDIA CENTER

The library has computers, books, and magazines, for assigned study, recreational reading, and research. It is open for use during the entire school day. Students must pay for lost materials. The daily overdue book charge is 10 cents per day after the 2 day grace period. Photo identification cards will be provided for all secondary students during the fall semester. The initial issue is free to students. Students will be required to use their identification card when checking out materials from the media center. Replacement cards may be requested through the school media center with a replacement fee of \$2.00 per card.

REPORT CARDS

Report cards are distributed at the end of each semester. Marks are letter grades. Students with a “B” or above average qualify for the honor roll. Mid-semester reports are issued the first and third nine weeks. Any student whose name appears on the delinquent list will not receive their report card until the fine has been paid.

VISITORS

Parents are welcome to visit anytime, but all visitors must check in through the school office and obtain a visitor’s pass. Students are not allowed to bring friends to school. Unauthorized visitors are in violation of trespass laws and may be cited as such.

TELEPHONES

The office telephone is a business phone and cannot be used by students except for emergencies. Students will not be called out of class for message delivery. Students will be called at the end of the day to receive any messages. If a message is deemed an emergency, the student will be notified by an administrator or office personnel.

EXITING AND RETURNING TO SCHOOL

All requests to leave the building while school is in session, including the lunch period, must be cleared through the principal's office. Leaving school without permission is classified as truancy. If a student needs to leave school, the student's parent, guardian, or someone listed on the student's emergency permission form may check out a student. Students will be called out of class when the parent/guardian arrives. Students returning to school on the same day of check-out should check in at the main office to get a late slip. Students are not permitted to leave campus with other students and their parents for lunch or other activities.

TRUANCY

Leaving the school campus without permission is classified as truancy. In addition, students who are on campus but claim to have been sick in the restroom, running an errand for a teacher, etc. will be considered truant unless they have notified a teacher or the assistant principal.

WITHDRAWAL FROM SCHOOL

On or before the student's last day of school, a parent should report to the office to fill out a withdrawal form. The student needs to show the withdrawal form in each class period to the teacher so they can post grades and collect books, etc., from the student. When all grades have been posted, the student should go to the office where a copy of the withdrawal form can be made for the student to take with them.

DRILLS/EMERGENCY

Drill and emergency procedures are posted in each room. Students should study the plans and become familiar with them. Disruptive or inappropriate behavior during a fire drill will result in an office discipline action.

HEALTH SERVICES

If a student becomes ill in school, he/she should report to his/her teacher, who will decide what should be done. Students leaving due to illness are to follow the school policy for exiting. Students who do not sign out properly from school through the office will be considered truant.

LOST AND FOUND

Students who find lost articles are asked to take them to the office where the lost and found department is located. Unclaimed items will be discarded at the end of the school year. Students should mark personal items and clothing with complete identification.

PARENT CONFERENCES

Parents may make appointments for conferences with teachers, counselors, or the principal by telephoning the school office. Conferences are to be conducted during a teacher's planning period or before and after school.
